The Miracle Maker Leadership Council (MMLC), comprised of Expect Miracles Foundation’s major donor circles, is a select group of philanthropic leaders of the Foundation’s mission to provide impact funding to life-saving cancer research while advancing the financial and emotional health of people impacted by cancer. The MMLC is charged with strengthening Expect Miracles Foundation’s position as a leading advocate in the war on cancer through financial support, example and leadership.

The Miracle Makers are our major donors that make a 3-year pledge to donate annually at a certain amount, or circle:

**IMPACT CIRCLE**
- Gifts of $50,000+

**HOPE CIRCLE**
- Gifts of $25,000+

**FOUNDER’S CIRCLE**
- Gifts of $10,000+

**CHAIRMAN’S CIRCLE**
- Gifts of $5,000+

**PRESIDENT’S CIRCLE**
- Gifts of $3,000+

**LEADERSHIP CIRCLE**
- Gifts of $1,000+

**Young Professionals (age 21-39)**
- Gifts of $500/yr
  - Corporate matching gifts are eligible to elevate membership above the Leadership Circle

**HOW TO FULFILL YOUR PLEDGE**
You have until the end of each calendar year to fulfill your annual pledge. Donations may be made via credit card on our website, check, donor advised fund, donating appreciated securities, payroll deduction, or United Way.

**Questions:** Contact Frank Heavey, Executive Director at 978.760.4352 or fheavey@expectmiraclesfoundation.org

**EXCLUSIVE MMLC MEMBER EVENTS**

**Boston & New York City Miracle Maker Celebrations**
As a member of the Miracle Maker Leadership Council, you and your guests will be invited to attend these exclusive annual receptions in Boston and New York City to celebrate your incredible impact while networking with other Miracle Makers. You’ll hear from cancer survivors who have received Samfund grants, the doctors and scientists whose work you generously support, and cancer patients who can expect miracles thanks to your leadership and kindness.
Members make a 3-year annual pledge, with 94% of donations supporting our programs, and 6% covering administrative expenses. Miracles Makers may choose to designate their donations to one or multiple Expect Miracles Foundation programs. If you choose to support more than one of our programs, you may also choose the allocation percentage between the CURE and CARE programs:

**Cure Programs**
- Expect Miracles’ Cancer Research Fund at Dana-Farber Cancer Institute
- Expect Miracles’ Cancer Research Fund at Memorial Sloan Kettering Cancer Center

**Care Programs**
- The Samfund for Young Adult Cancer Survivors

---

**MORE ABOUT THE CURE**

Expect Miracles’ Cancer Research Fund at Dana-Farber Cancer Institute

This fund supports the Robert and Renée Belfer Center for Applied Cancer Science, Dana-Farber’s collaborative research center which is accelerating the discovery and development of the next generation of targeted and immune-based therapies while integrating academic and industry research to drive clinical trials and improve patients’ lives.

Expect Miracles’ Cancer Research Fund at Memorial Sloan Kettering Cancer Center

This fund supports The Center for Experimental Therapeutics, a critical research collaborative working to hasten the time it takes to get new, more effective and less toxic therapies to cancer patients. The fund specifically supports the research of The Daniel Heller, PhD Research Lab which develops nanotechnologies to treat metastatic cancers and to detect disease at early stages.

To have the greatest impact, these research groups focus on the greatest challenges in cancer science:

1. Early detection
2. Real-time prognosis
3. Drug-resistant cancers
4. Metastatic cancer

---

**MORE ABOUT THE CARE**

The Samfund For Young Adult Cancer Survivors

While we strive to help patients become cancer-free, cancer isn’t free. We are proud to help young adults overcome the financial toxicity caused by a cancer diagnosis through our direct financial assistance program, The Samfund.

Categories for grant funding include:
- everyday living expenses
- car payments
- medical bills
- family building (adoption, fertility storage, IVF, & surrogacy)
- and more
