

EMF donates \$1.25 million in support of the Robert and Renee Belfer Center for Applied Cancer Science at Dana-Farber Cancer Institute

BOSTON – Supporting another successful year of fundraising, Expect Miracles Foundation [EMF] presented a check to Dana-Farber Cancer Institute before the Boston Red Sox game at Fenway Park on Monday, August 28. The gift of \$1.25 million will benefit the Robert and Renee Belfer Center for Applied Cancer Science at Dana-Farber. EMF has donated over \$13 million over 29 years to support Dana-Farber.
